“Swimming excellence through proper technique and personal responsibility.”

Our Fall Program - Our Fall session will be fairly intense for the high school boys in the program. The intensity for others will be commensurate with their experience and ability. Dual meets and USAS meets are scheduled during the Fall. USAS registration is required. If you have your 2019 registration, that is valid. If you do not, add an additional \$80 to your fee for that.

For younger, less experienced swimmers, we recommend our sister club, the WaveRunners.
