Cost is \$295 (\$195 with regular Fall registration.) All fees are due on September 9 and must be paid by September 20 unless other arrangements have been made.

“Swimming excellence through proper technique and personal responsibility.”

Our Fall AM Program - Our Fall morning session will be fairly intense for the high school boys in the program. It is designed to supplement our evening practices and/or to offer an alternative to those in other sports/activities during the fall. DEL dual meets and USAS meets are included. USAS registration is required. If you have your 2019 registration, that is valid, if you do not, add \$80 to your fee for that.

This program is not designed as learn-to-swim. This is pre-season training for high school.
