*“Swimming excellence through proper technique and personal responsibility.”*

Our Spring Program - Our Spring session will incorporate a stroke clinic into the program. Training will be integrated into the Senior group earlier and heavier. This is the perfect time of the year to get started in a club program! Dual meets and USAS meets are scheduled throughout the Spring. 2020 USAS registration is required. (additional \$80)

For younger, less experienced swimmers, we recommend our sister club, the WaveRunners. ([www.waverunnersoflansing.com](http://www.waverunnersoflansing.com))
