ABOUT US

WaveRunners of Lansing has provided swimming opportunities for elementary and middle school children in the Greater Lansing area since 2002. The club consists of both lessons and the competitive swim team. Swimmers are enrolled in the appropriate group based on their skill level. Your child will learn all four competitive swim strokes, with turns, and dives. As your child progresses in their lessons, meets are an important step in the process.

WaveRunners emphasizes character building qualities including teamwork, individual improvement and goal setting. Parents are an important part of our club and opportunities abound to be an active part of your child's swim experience. Join now for the experience of a lifetime!
